About LTE: The Learning & Teaching Expo

Reimagining Education: Human-Centric, Future-Ready

Welcome to the Learning & Teaching Expo 2026, proudly organised by the Smart City Consortium and supported by the Education Bureau of the HKSAR Government. We are partnering with EdCity to deliver a revitalized experience that strengthens the education community.

As a premier regional hub, LTE 2026 connects educators, thought leaders, and industry innovators from around the globe, all dedicated to advancing educational practices. Visitors can explore cutting-edge teaching methods, effective technology integration, and strategies for enhancing student engagement.

Our goal is to foster meaningful connections and generate actionable insights that enhance educational experiences, supporting a shared future where learning empowers everyone. Join us for an expanded event that brings together a diverse international audience to shape the future of education.

Event Info

Date	25 - 27 Jun 2026

Hear what they say

Will you join LTE 2026?

”

Learning and Teaching Expo is integral to the education sector, providing educators with access to global innovations. It is poised to enhance its influence by aligning with key educational trends and developments, while offering vital resources to advance the field of education.

*Dr. Kam Wai Keung Kevin
Director of School Partnership and Field Experience
Office, The Education University of Hong Kong*

”

It was a pleasure to attend LTE 2025 in Hong Kong. The Principal Forum featured a strong lineup of speakers, with many insightful presentations. I was particularly inspired by the younger speakers who brought fresh perspectives and energy to the discussions. Overall, LTE 2025 was a valuable experience, and I look forward to seeing how it continues to grow and evolve in the coming years.

*Ms. Shirley Puspitawat
Deputy Head of School, Wellington College Independent
School Jakarta*

Why Learning & Teaching Expo 2026

Tap an Expanding Market

Hong Kong's education sector is rapidly growing, backed by HKD 40 million in government funding for international EdTech and digital resources. LTE offers UK suppliers access to substantial budgets and a welcoming environment for new solutions.

Direct Connection to Key Buyers

Meet senior school leaders, procurement heads, and educators—over half with real purchasing power. LTE ensures targeted meetings and fast-tracked deals with decision-makers keen to adopt leading solutions.

High Demand for UK Innovation

Ongoing grants and technology initiatives fuel robust demand for quality EdTech. UK exhibitors are recognised for delivering compliant, future-ready products that meet the region's specific digital transformation and curriculum needs.

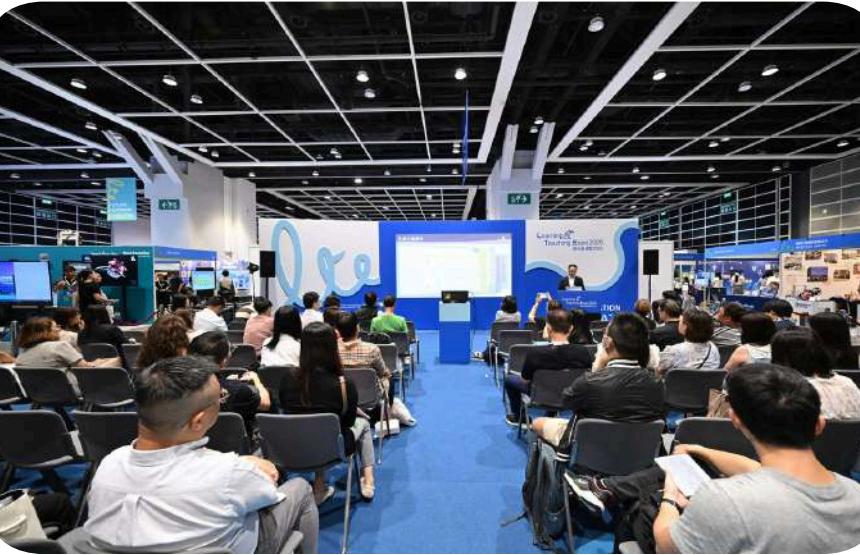

Launchpad for Asia-Pacific Presence

Position your brand for long-term success: LTE connects you to Hong Kong, China, and Southeast Asia's fastest-growing education buyers, building credibility and momentum across the Asia-Pacific EdTech landscape.
